

Welcome

We hope worship today will engage your mind, stir your soul, and touch your heart, preparing us to faithfully serve God in the world.

A special welcome goes to all worship guests — we are honored by your presence. We invite you to participate fully in worship, our program, and common life of our congregation, and hope you will feel at home among us. Please visit the hospitality booth to receive a special gift. If you have any questions about our church, please speak with a pastor or elder.

After the 9:00 and 11:00 a.m. services, join us for coffee in the fellowship hall.

Ushers are available for assistance this morning. **Large-print bulletins** are on-hand — just ask an usher. For worshippers who struggle with their hearing, we have a hearing loop installed in the floor of the sanctuary. To receive the loop signal manually, activate your T-coil or the telephone setting on your hearing aid or cochlear implant. If you are unsure, please consult your audiologist. If you don't wear hearing aids, but need assistance, please ask an usher for a loop receiver.

Please know, if you need to step out of the sanctuary for any reason, you can watch the service on *livestream* in the hospitality suite. Also if you can't make it to church, you can watch the 11:00 a.m. service *live* on our website - or later during the week at your convenience.

• Children Are Welcome

We believe that worship is the response of the whole people of God, and that includes children! Families may sit together throughout the worship service. If you are interested, child care for newborns up to five years old is provided by a trained, caring staff each week in the nursery behind the sanctuary.

Parents, ask an usher for a **worship bag** for your children so they can engage in creative activities while remaining in worship.

Thank you for your assistance.

In her book, Chris persuasively encourages us to challenge the assumption that the church's faith is obsolete. She directs us toward the memory of who and Whose we are—a memory we may have forgotten in our information-saturated culture—with the promise that the church was born into amazingly similar circumstances.

She describes her husband and children as her first call and the reason she feels so blessed to serve as Pastor of Family Life. It is Ashley's belief that family ministry is essential to a healthy church. "It is the church that empowers the family to radically love the world,

serve the community and proclaim the gospel in real and tangible ways."

As a family, Ashley and Nick and their children enjoy any adventure, especially hiking, impromptu dance parties, bikes, and traveling wherever their beloved minivan takes them.
